By Mary Penn Deputy

Re: Death of Robert M. McCroskey, Colfax, Washington.

STATE OF WASHINGTON)
) ss.
COUNTY OF WHITMAN)

Paul G. Weisman, being first duly sworn upon his oath says: That he is now and has been a physician and surgeon duly licensed in the State of Washington, and located in the City of Colfax therein, for approximately 40 years; that he was well and personally acquainted with Robert M. McCroskey, who died on September 20th, 1952, at Chatcolet, Idaho; that he had been his physician since August, 1949, to the time of his death. During this period affiant saw him at least once a month. At no time during such period did he ever complain of angina pain or other cardiac pain, and affiant is of the opinion and states that he did not die as the result of angina pectoris.

That on September 21st, 1952, affiant at the request of the widow of said deceased, performed an autopsy on his body, and as a result of his examination, found the following, together with his opinion, to-wit:

"(1) Bruise 2 inches in diameter over right malar bone - Bruise evidently recent -

"(2) Heart not enlarged - Firm adhesions between left ventricle and pericardium. I.
Gladys McCroskey, being first duly sworn, on her oath says:

That she is the widow of Robert M. McCroskey late of Colfax, Washington, who died on September 20th, 1952, at Chatcolet, Idaho.

That said Robert M. McCroskey was honorably discharged from the United States Army, although the death certificate of the coroner of Benewah County, Idaho, states that he had not been in the armed services of the United States.

That said Robert M. McCroskey died from an accident, in that he was thrown from a boat in Chatcolet Lake, at Chatcolet, Idaho, on September 20th, 1952, and as a result thereof he was drowned, and his death did not result from "probably angina pectoris" as stated in said death certificate.

That attached hereto is a true copy of the report of Dr. Paul G. Weisman of Colfax, Washington, resulting from a post mortem examination of the body of said Robert M. McCroskey.
